

Quarter	Topic	Guidelines
Q1 2024 Jan 1 to Mar 31	Texture or Patterns	Capture anything that includes texture or a pattern. You can photograph anything that has texture or pattern, or you can overlay textures in post-processing to create a whole new work of art.
Q2 2024 April 1 to June 30	The Subject is Color	The subject of the photo should have a dominant color that immediately attracts the viewer's eye.
Q3 2024 July 1 to Sept 30	The Letter "S"	The main subject needs to be related to a word that starts with S. Examples include snake, sheep, swan, salad, steak, shadow, sunflower, sunset, star, & storm. The title of the photo should include that S word.
Q4 2024 Oct 1 to Dec 31	By the Hand of Man	The subject of the photo needs to be made by man, not nature or AI. Acceptable subjects are things like cars, planes, pottery, toys, buildings, clothing and even people. Unacceptable are things like animals, mountains, lakes, and plants. However, an acceptable subject can have anything in the background as long as the main subject is obvious and dominant, eg a car with a background of a natural landscape.
